

# **sunair co.**

## *Maximize Reliability of your Critical Power and Steam Generation Plants*

*Upgrade to Sunflo and Sundyne Pumps for your Boiler Feed, Desuperheating, RO and Condensate Services*

- Higher Efficiency, Lower Installation Costs, Lower Life Cycle Costs
- All 316SS construction for corrosion-free service
- Open clearances without wear rings:
  - Maintains original efficiency over the life of the pump
  - Resists damage caused by suction transients
  - Pre-warming of pump not required
- Easily repairable with modular high speed shaft assembly
  - Single stage simplicity replaces difficult-to-repair multi-stage complexity!
- Sundyne API-610 compliant vertical inline pumps also available

Sunair Co. is pleased to be of service as your Northeast regional Sunflo and Sundyne Factory Authorized Service Center  
Please call us at 215-657-9800 or contact your Sales Engineer  
For quick response or help with your Power Generation needs

2475 Wyandotte Road Willow Grove, PA 19090 [www.sunair.com](http://www.sunair.com) Phone: (215) 657-9800 Fax: (215) 657-9881
